SIZE OF EVENT-DIVISIONS

The Regatta shall accept up to 500 singles entries and 200 doubles entries with allowed minimums of 20 in single sculling event-divisions and 15 in double sculling event-divisions and a maximum of 75 in any one event-division. Beyond each event-division's allowed minimum or its number of received guaranteed entry applications, whichever is greater, and subject to the above cited maximum, the number of non-guaranteed entries accepted into an event-division shall be determined, in sculling events, by the event-division's proportional share of the remaining non-guaranteed entry applications received for its "boat type" (singles or doubles) .

MEDALS

First Place Medals shall be awarded to all competitors in entries that post the fastest time in the event-division in which they competed. **Special Medals** engraved YOUTH or GRAND-VETERAN, shall be awarded respectively to the "most competitive" male and female Youth single scullers in the Regatta (basis: percent-margin over the fastest time posted in their event-division), and the most competitive Grand-Veteran in the men's and women's divisions of Senior-Veteran Singles. Winners of special medals will not be awarded subordinate medals should they qualify. No special medal will be awarded if the first place medal winner also qualifies for a special medal. **Subordinate Medals** are awarded as follows: 2nd PLACE in event-divisions comprising at least 10 entries, 3rd PLACE in those comprising at least 20 entries, 4th PLACE in those comprising at least 30 entries, and 5th PLACE in those comprising 40 or more entries.

With the exception of the Directors' Challenge Quad and Doubles Races, no one, *including coxswains*, may compete more than once in the Regatta, and all competitors must race in traditional (sliding seat, fixed-rigger) racing shells. *The Directors' Challenge Quad and Double are special events supporting the Head Of The Charles Regatta endowment and require separate application forms.*

SINGLE SCULL ENTRY RULES

Entry Applications shall be accepted only from USA residents that are either individual members of USRowing or members of a USRowing-member institution, and from foreign nationals that are in good standing with their nation's FISA-recognized governing body. Single scullers may submit only one Entry Application and may not subsequently be renamed or substituted-for after the entry deadline.

On the basis of winning a Special Medal or finishing within 5% of the winning time in the event-division in which they competed in the preceding year, **Single-scullers** are guaranteed entry acceptance into the singles event of their choice, provided all conditions of eligibility, deadlines, fees, etc., are met. Except for variances, which only the Managing Directors may grant, a blind draw in early August shall determine all other entry acceptances as follows: Single scullers who in the preceding year were not accepted, who did not apply or who posted a time more than 5% but within 10% of the winning time in their event-division, will be drawn first, followed by those whose times were more than 10% but within 15% of the winning time in their event-division, followed by those who did have entries accepted but failed to post times within 15% of the winning time in their event-division. The singles draw will take place in early August.

In addition to Charity Program and Extra entries, the Regatta shall accept up to 500 singles entries, with allowed minimums of 20 in single sculling event-divisions and a maximum of 75 in any one event-division. Beyond each event-division's allowed minimum or its number of received guaranteed entry applications, whichever is greater, and subject to the above cited maximum, the number of non-guaranteed entries accepted into an event-division shall be determined, in sculling events, by the event-division's proportional share of the remaining non-guaranteed entry applications received for its "boat type" (singles or doubles)

Accepted Club Singles entrants that continue to meet Club specifications as of September 1st shall be considered to have met them for the current year's Regatta, but any that lose their Club status between the time of entry application and September 1st, must notify the Regatta immediately so as to be eligible for transfer to a less restricted singles event by October 1st.

The deadline for withdrawing an entry is October 1st. No refund will be given for withdrawn entries. Accepted scullers who fail to notify the Regatta in writing of their withdrawal or inability to compete on or before October 1st shall not be eligible to compete in any event in the current year's (2011) Regatta, nor in any sculling event in the following year's (2012) Regatta. The Regatta will replace withdrawn entries by offering entry to the next applicant on the waiting list (based upon the original blind draw) for the same event-division.

Single Scullers who properly competed in a singles event the preceding year and whose entries are accepted will start ahead of all newcomers and will be seeded in the order of their times recorded the preceding year. The Regatta reserves the right to make exceptions to the seeding policy.
